Anglicanism 101 - It's Not

Where did the Prayer book come from? How does it differ from other denominations? How does it work? What is a general convention and what symbols around the nave mean? What actually happens during the Eucharist?

If you've ever wondered these things, you're not alone. This very popular 6 week class answers these questions and many more. It covers the rich history, doctrinal distinctives and the people who have made us who we are as Episcopalians. It also covers the Eucharist as well as an episcopal consecration.

The next class has already begun, but you can still join. For those wishing to be confirmed, the class meets on Wednesdays, 7:00pm.

Compassion Sunday

Today is Compassion Sunday!

There is an information table set up in the narthex before and after both services. Please stop by and see how you can help a child in need.
